WANTS \$500 DAMAGES FOR DEATH OF RABBITS

James A. Ward has filed suit in the county court against Walter V. Hoagland and Mose McFarland for \$500.00 damage caused by dogs, which it is charged belonged to the defendants and were allowed to run at large. These dogs, it is alleged, broke into the yard of the plaintiff at 502 west Front street, September 21st, and killed seventy-eight Belgian hares which were enclosed in a section of the grounds surrounded with wire netting. The plaintiff says the damage to the fence, cages and other property was \$15 and the hares killed were worth \$253. Mr. Ward claims that he had been in the pet stock business for some time and had collected stock of the first class and established a reputation for such, and that the business is now ruined and destroyed and the stock cannot be replaced for several years. In addition to the claim for damages to the cages and the death of the animals Mr. Ward asks for \$235 damage for the ruin of the reputation he had made in this work.

TWO MEN KILLED IN WRECK AT BUSHNELL LAST NIGHT

Two men were killed, several injured, fourteen cars of company coal wrecked, and four cars on passenger train No. 7 derailed at Bushnell last night shortly after nine o'clock. Particulars are lacking, but it is understood that a west-bound freight had pulled into the passing track, the engine detached and run out on the east bound track to the crane to take water. While standing there an eastbound double-header freight crashed into the standing engine, wrecking fourteen cars of coal, and derailling the engines. Just at that time train No. 7 came up at a fifty mile gait, and with no time to flag and less time for the engineer to stop, crashed into the freight wreckage.

Fireman Crawford on train No. 7 was killed, as was also Brakeman Moore of the east bound freight. Another employee was seriously injured and one or two others more or less bruised.

North Platte Defeats Cozad 13 to 6. The game of foot ball at Cozad which had been postponed from Friday until yesterday on account of wet grounds, North Platte won by a score of thirteen to nothing. The local team showed up stronger than in the game with the Curtis Aggies, and their general playing was superior to that of the Cozad boys. The latter, however, put up a game that forced the North Platte team to do its best at all times.

Another Snow Storm.

Snow began falling about twelve o'clock last night and continues at the hour of going to press. The snow is very wet and with a rather high temperature much of it melted as it fell, while that on the ground, over two inches, is slushy.

The snow is not the best for paying operations and political meetings, but great for fall wheat, which badly needed moisture.

WHY the citizens of North Platte, Lincoln County and Nebraska have bought and are continuing to buy

Minnesota Mutual Life Policies.

Because they are standard forms.

Because it has opened its farm loan department to loan money in Nebraska and Lincoln County will get its share.

Because our policies are a savings bank and as good as money can buy in Old Line Life Insurance.
